Isa 55:11 So shall my word be which proceeds forth from my mouth it shall not come back to me void; without accomplishing what I desire and without succeeding in the thing for which I sent it.

“For the Son of Man came to seek and to save that which was lost.”

PRAYER CONCERNS FOR THE EXPEDITION TO THE BUDUMA OF CHAD OCT 3-14

As I was interceding for the Buduma, the Lord gave me the Word above concerning the success of the trip among these unreached muslims of Chad. M and E are returning from another scouting trip among the Buduma villages in the Lake Chad/Bol area. I spoke to M yesterday and he was telling me how we would have to schedule our trip considering the difficulties in traveling. I am not sure why the two schedules he agreed to before I bought the airline tickets had suddenly become null and void, but hey, that is cross-cultural missions in a nut-shell. I know the Lord well enough at this point to be able to say that He is more than able to work around this problem, however, we are already planning on some night travel from N'djamena to Ngure, and last minute return travel to the capital when we leave the country. This will add to the stress of the journey, but by His grace not interfere with the success.

Since the Lord has blessed us financially, I am thinking about how we can trade money for time. Not having to argue about prices should save us valuable time (hours believe it or not). If I can just get the Africans to change their habits a bit, (that has to come from God), then this will help.

I should share with you that our budget of \$36,000 was met about one month prior to the trip. I have been able to focus on other issues. If you have ever managed a trip you know the challenges of getting busy people on the same page. Hence we do not have our visas yet, but with your prayers and the extra money for the rush order, I believe we will have them in plenty of time for the Oct 3rd departure.

Would you mind if I just listed the prayer concerns out for you and let you listen to the voice of God as you bring these before His thrown of grace? Thank you.

Prayer Concerns

1. Open doors, open hearts, signs, wonders and miracles at each stage. The anointing of God for the whole team to serve as one. We receive our Chadean visas/passports back from Washington, on time to start.
2. No flight or luggage issues from AMA to DFW to Paris to Chad and back.
3. Favor in immigration.
4. The Africans would be well prepared for us so all we have to do is purchase medications, pack and leave on the 5th.
5. Protection from sickness, disease, muslims, vehicle breakdowns, the government, bugs, and animals.
6. Continued favor with officials, chiefs, elders, etc.
7. The right 4x4 drivers, vehicles, and boats.
8. Wisdom for us to know how best to serve the strategic interests of the village kids.
9. Unity of the brethren (4 Americans, 3 Nigerians, 2 Cameroonians, and 2 Chadeans).
10. Special training for the young disciples going with Citychurch, M and E.
11. Intimacy with the Father.
12. The unknown.

Thank you to all who give and all who pray. The harvest is plentiful but the laborers are few. These 11 go in obedience and with the honor of making His name known among the Buduma.
